Our lawyers in Jersey provide a full range of legal services to a domestic and international client base and a broad range of sectors, advising them in relation to corporate & financial services, disputes, and property matters. We also provide legal advice in relation to private wealth and corporate trusts.

In Jersey Appleby can trace its history back to the 1890s and our lawyers have been active in Jersey's finance sector since its inception, helping shape and develop the Island's financial services laws and regulations. Our clients include leading law firms, 'blue chip' financial institutions, international FTSE 250/Fortune 500 and local Jersey companies, and high-net-worth individuals.

In addition to advising clients on Jersey law, our team is able to facilitate the provision of legal advice in Bermuda, the British Virgin Islands, the Cayman Islands, Guernsey, the Isle of Man, Mauritius and the Seychelles.
