Our lawyers in Jersey provide a full range of legal services to a domestic and international client base and a broad range of sectors, advising them in relation to corporate & financial services, disputes, and property matters. We also provide legal advice in relation to private wealth and corporate trusts.

In Jersey Appleby can trace its history back to the 1890s and our lawyers have been active in Jersey's finance sector since its inception, helping shape and develop the Island's financial services laws and regulations. Our clients include leading law firms, 'blue chip' financial institutions, international FTSE 250/Fortune 500 and local Jersey companies, and high-net-worth individuals.

Appleby Projects in Jersey

Community Partnerships

Some of the organisations we support through funding and in-kind donations include:

- **Jersey Table Tennis Association** Making table tennis available and accessible to all groups in our community, nurturing talent of future champions.
- **Jersey Chess Club** Supporting the junior chess academy is part of our commitment to education and development of young people.
- **Jersey Golf Development** Providing an opportunity for young people to benefit from professional golf coaching in an accessible, safe and fun environment.
